

## BG2V ADVISES M6 FOR THE ACQUISITION OF FIDELITE FILMS

BG2V (Hervé de Kervasdoué, partner, and Jérôme Albertin, associate) advised M6 for its purchase of Fidélité Films, a French film production company.

With a catalog of 42 feature films, among which “*Astérix and Obélisk in His Majesty’s Service*”, “*Little Nicholas*”, “*Little Nicholas’s Vacation*” and several films of François Ozon, the acquisition of Fidélité Films constitutes a significant external growth transaction for M6. Indeed, this purchase allows it to increase its feature film catalog and to consolidate its distribution and audiovisual rights activities.

BG2V assisted M6 with all the legal aspects related to this acquisition and the due diligence, including the legal documents necessary for carrying out the transaction.

BG2V confirmed its expertise in the media sector, in which Hervé de Kervasdoué has been working for several years.
