BG2V STRENGTHENS ITS MERGERS-ACQUISITIONS/PRIVATE EQUITY AND TAX LAW PRACTICES WITH HERVE DE KERVASDOUE AND JEAN-SEBASTIEN DUMONT JOINING THE FIRM AS PARTNERS, ALONG WITH FOUR ASSOCIATES

BG2V CONTINUES ITS DEVELOPMENT AND CONFIRMS ITS AMBITIONS
One year after coopting Camille de Verdelhan as partner, BG2V continues its development by strengthening its Merger-Acquisitions/Private Equity and Tax Law teams.

Hervé de Kervasdoué and Jean-Sébastien Dumont join BG2V as partners.

They are accompanied by their associates: Jérôme Albertin, Rémi Dias, Julia André and Pascal Rouanet.

Created in 2010, BG2V now has 27 lawyers, including 11 partners all from large Parisian business law firms and all sharing the same values and same culture of rigor and excellence.

The Merger-Acquisitions/Private Equity Department now has 4 partners (Roland Guény, Stanislas Richoillez, Camille de Verdelhan and Hervé de Kervasdoué) and 6 associates. The Tax Law Department has two partners (Jean-Marc Valot and Jean-Sébastien Dumont) and 3 associates.

“The arrival of Hervé de Kervasdoué and Jean-Sébastien Dumont, accompanied by their associates, merely confirms, although not needed, BG2V’s dynamism and development. We are strengthening our ability to be involved in major merger-acquisitions and private equity transactions and in tax law, notably including real estate tax”, stated Roland Guény, a BG2V partner.

“Hervé’s and Jean-Sébastien's experience, together with their personalities and their entrepreneurial nature, also enable us to develop synergies that already exist between our various departments, and specifically in corporate, merger-acquisitions, private equity, tax and property law”, added Jean-Marc Valot, a BG2V partner.

“We look forward to joining BG2V, a young and entrepreneurial firm whose dynamism and ambitions are confirmed by the following: offering small and mid-sized companies and large groups, a complete range of specialities and services with high added value, in a highly responsive and well-adapted fashion”, declared Hervé de Kervasdoué and Jean-Sébastien Dumont.
